

November 30, 2021

Dear Business and Community Partners,

**Join us as we celebrate the 26<sup>th</sup> Anniversary**

*Father Daughter Ball of Duluth*

This landmark Northland event is a cherished tradition that has honored thousands of fathers and daughters in our community! Up to 950 per night have gathered for two evenings of inspiration, dinner, dancing & friendship designed to strengthen family relationships and create beautiful memories.

***Thank you for your generosity in years past and we invite you to support us again!***

Last year we celebrated the 25<sup>th</sup> Father Daughter Ball virtually, so this year we want to make it extra special as we return to the Lake Superior Ballroom of the DECC in person on January 29 and February 5. Our mission is to provide a quality and wholesome event for daughters of all ages to spend a memorable evening with their father or father figure. Our desire is for all fathers to recognize their important role in raising their daughters and to purposefully invest in this relationship.

Please support this special father/daughter event. Your financial donations help pay for decorations, programs, music, and mementos. We also welcome gift certificates from your business and merchandise gifts that can be used for door prizes. All business and community partners are featured in our website, email communications, event programs, and on Facebook and Instagram.

***Advertising for this event and online ticket sales begin in early December.***

The Father Daughter Ball is open to all in the Northland community, and we strive to make it affordable for everyone. Ticket prices are kept at \$30 (the dinner cost). The generosity of our business partners is crucial to keeping this great tradition going. Your support also helps us give generously to the men of MN Adult & Teen Challenge – Duluth Campus as we provide complimentary tickets to these fathers and their daughters to help them mend and strengthen their relationships. Visit our website to learn more.

***~ Tickets sell out quickly because the smiles and memories are priceless ~  
Your prompt response provides maximum advertising exposure for your business.***

Please review the enclosed forms and mail your partner commitment sheet to 2415 Ensign Street, Duluth MN 55811 no later than January 7, 2022. We look forward to partnering with you!

Sincerely,

Carolyn Lofald
